CONFERENCE HIGHLIGHTS

Are you ready to implement IFRS 15 Revenue from Contracts with Customers and IFRS 16 Leases? MASB together with the IFRS Foundation are organising a conference on these two Standards.

This one-day conference will provide a unique opportunity to hear directly from the International Accounting Standards Board (IASB) representatives on the content of the Revenue and Leases Standards.

OVERVIEW

IFRS 15 Revenue from Contracts with Customers

In May 2014, the International Accounting Standards Board (IASB) issued IFRS 15 Revenue from Contracts with Customers. IFRS 15 will supersede IAS 11 Construction Contracts, IAS 18 Revenue, IFRIC 13 Customer Loyalty Programmes, IFRIC 15 Agreements for the Construction of Real Estate, IFRIC 18 Transfers of Assets from Customers, and SIC-31 Revenue—Barter Transactions Involving Advertising Services.

The core principle of IFRS 15 is that an entity recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. IFRS 15 is effective for annual periods beginning on or after 1 January 2018, with earlier application being permitted.

IFRS 16 Leases

In January 2016, the IASB issued IFRS 16 Leases. IFRS 16 will supersede IAS 17 Leases, IFRIC 4 Determining whether an Arrangement contains a Lease, SIC-15 Operating Leases—Incentives and SIC-27 Evaluating the Substance of Transactions Involving the Legal Form of a Lease.

IFRS 16 eliminates IAS 17 classification of leases as either finance or operating leases for a lessee. Instead, IFRS 16 requires all leases to be reported on a lessee’s balance sheet as assets and liabilities except for short-term leases of 12 months or less and leases of low-value assets. IFRS 16 is effective for annual periods beginning on or after 1 January 2019. Earlier application is permitted for entities that apply IFRS 15 Revenue from Contracts with Customers at or before the date of initial application of IFRS 16.
