Overview

The Malaysian Accounting Standards Board (MASB) recognises the important role of those teaching International Financial Reporting Standards (IFRS Standards) in developing capacity to apply IFRS rigorously and consistently. To support those teaching IFRS, the MASB, in collaboration with the IFRS® Foundation is organising a workshop.

The workshop will be led by Matt Tilling, Director of Education at the IFRS Foundation.

The event provides a forum for those teaching IFRS Standards to:

- discuss the development of new and amended IFRS Standards (especially on those IFRS Standards that have been issued but that are not yet effective);
- receive an update on the main principles being considered in developing major new IFRS Standards that are on the Board’s active agenda;
- participate in a workshop on Framework-based IFRS teaching by exploring case studies; and
- provide feedback to the Board on providing support to those teaching IFRS Standards.
